February 2009, Issue 14

Jessica Meleskie's Return

Jessica Meleskie has returned to her role as EBC Program Coordinator, following her maternity leave.

Her contact information is as follows:

Jessica Meleskie
EBC Program Coordinator
Grey Bruce Health Network
c/o SW CCAC
255 18th Street West
Owen Sound, ON
N4K 6Y1
519-371-3375, #5338
Cell (519) 374-9361
jessica.meleskie@sw.ccac-ont.ca
www.gbhn.ca

Kindly update your records with Jessica's new contact information.

Please join me in welcoming Jessica back to the Evidence Based Care Program.

Where is Catherine off to?

Jessica, Julia and Andrea want to thank Catherine for all of her excellent work in the past year.

Catherine is heading off to work as a Project Manager (*Partnerships for Health Program*) with the SW CCAC.

Stroke Pathway Materials Online

Individual Stroke Pathway components are now available for downloading on the *gbhn.ca* website.

This allows users to download the components that they need, instead of requiring users to download the entire Pathway.

You will find the Stroke Pathway materials listed on the *gbhn.ca* website as follows:

Stroke Clinical Pathway:

[Acute-Medical](#)

(Entire acute-medical clinical pathway)

Stroke Pathway Components:

[Front Page](#)

[Emergency Phase 0-3 hours](#)

[Critical Care Phase 3-24 hours](#)

[Braden Risk Assessment](#)

[Acute Care Phase Day 2](#)

[Acute Care Phase Day 3](#)

[Day 4-6](#)

[Acute Progressive Phase \(beyond Day 6\)](#)

[Transition](#)

[Management/Maintenance Phase](#)

[Discharge Criteria](#)

[Canadian Neurological Scale](#)

[Canadian Neurological Scale REFERENCE SHEET](#)

[Dysphasia Screening Tool](#)

[Modified Rankin Scale](#)

As well, please see the **Stroke Pathway Resource Binder** (available on your unit) for more information on stroke management.
